Training, Equipment and Services

*Box 861 - 2773 Anderson Road
Smithers, BC
Canada V0J 2N0*

Raven Medical (a new division of the Raven Group of Companies) is adding to its community of dedicated, professional and experienced wilderness medical Instructors.

We are looking for professional, charismatic and motivated individuals who possess the following skills:

1. Teaching experience
2. Qualification in medicine and or pre-hospital care with hands-on patient care experience (e.g. nurse, paramedic, doctor, EMT, pro patrol etc.)
3. Diverse background working and/or recreating in the outdoors

The ideal candidate will be strong in all three categories. However, consideration will also be given to those who need improvement in one skill set but are very strong in the two other areas.

Application Deadline: July 15th, 2018

Successful candidates must attend one of the following Instructor training courses:

Instructor Training - Western Canada
Location: Canmore, Alberta
Dates: Fall TBD

Instructor Training - Eastern Canada
Location: Ontario - TBD
Dates: Fall TBD

Upon completion of the Instructor training course, each Instructor Candidate will co-teach with experienced Instructors until they are ready to teach on their own. This process can take time. How much time will depend upon an individual's existing skill and experience, and the frequency with which they can attend courses.

Interested individuals should send a resumé and a cover letter outlining their existing skills, experience and why they are interested in becoming a wilderness medical Instructor to:

Ron Morrison, Program Director
